NEW PLAYGROUND PLAYSTRUCTURE PROGRESS REPORT

The project is currently in a holding pattern until funds are in place. A portion of the proposed budget to fund the new equipment will come from the proceeds of the 2014 Membership drive. The sooner membership payments are received and our target of \$4,000.00 is met, the quicker this project can move forward. We would hope membership payments can be in by the end of June with a target date for New Playground equipment installation by the end of July 2014

Once the order is placed, full payment is due with an expected delivery time of 2 to 3 weeks.

DONATIONS WELCOMED ... for the NEW PLAYGROUND STRUCTURE

Street Representatives The objective of having a Street Representative is to create a group of our local permanent & seasonal residents that would take on the role of representing the folks that live on their street. We are a large community 289 properties, making it difficult to determine what it is that is important & relevant to each street. The street representative is the "Go To" person, who functions jointly with the Executive Team.

Street Reps are:

West Street	Cory, Doug, Glenn, Neil, Pam, Terry
Lakeview Rd & Bay	Roger
South Ave & Bay	Judy
East Street	Kris
North Drive	Carol
Bayview Drive	Anna
Beach Blvd, Emerald & Evergreen Bays	Lucy
