### **BEAR SMART...Here are some simple suggestions on how you can be Bear Smart:**

If you are having a problem with bears, contact Manitoba Conservation Grand Beach office 204.754.5040

- Never approach or crowd a bear – admire it from a safe distance
- Remove bird feeders between April & October
- Never feed a bear. Homeowners, cottagers can discourage bears by handling food responsibly, clean BBQ's after every use & always dispose garbage in secured area
