Message from the departing Executives... *President, Vice President, Secretary*

My last message as President of the LSH Association is one of those happy/sad moments. The time has come for me to move on and make way for someone else to lead the Association and its' members.

Right from the beginning I realized that this community, my community, was so on board in supporting the goals and visions I had in mind for Lakeshore Heights. Regardless if I neglected to call for a motion or for nays and yeas, there was always someone there to guide me. It became apparent that it was not about the errors or omissions, but more so about the heart and soul of what was to be accomplished that truly mattered. What began as a vision of what our cottage community could grow to be was accomplished with your ongoing support.

During my three terms I had the opportunity to meet many of our residents. So many volunteers continually came forward to give of their time and abilities needed to perform the numerous projects, tasks and community events. I extend my heartfelt thanks for your commitment and constant dependability.

I wish to thank Anna, Glenn and Carol for all of their dedication and support over the years. They too are volunteers and gave much of their personal time and efforts to ensure the responsibilities of the organization transpired effortlessly and efficiently.

We have a gem here in Lakeshore Heights and are the envy of our neighboring cottage communities. Let us maintain the momentum as the Organization continues to thrive upon electing a new executive team Sept 3rd (*fall meeting*).

Humbly Yours,

Edith Summerfeldt

I have enjoyed my six year term with LakeShoreHeights Association / Executive roll as Vice President. It has been a pleasure to meet and work with so many kind people. Including such a dedicated Executive team that includes Edith, Carol, & Glenn. I have such gratitude and would like to thank you all for the support, guidance, and encouragement the Community & Executive Team provided me during my time in this roll.

I look forward to working with the next Executive team in the transition and to start a new phase for the community. You know you are part of something special... when you/we got involved.

I hope this summer, here in LSH, brought you many wonderful summer memories. I wish you and your families all the best over the fall and winter and trust next year will once again bring more happy times to you.

With Kindness & Gratitude,

Anna Gunn

Believe you have done all the right things to now... Have earned Hope for the future and have Faith the universe will guide you there...Enjoy the Moment of yesterday and its Life's Teachings.

I wish to thank you all for allowing me to act as your secretary for the past two years. The time virtually flew by. It was a privilege to be part of a very dedicated team, with everyone pulling in the same direction. It makes the effort very worthwhile. Thank you Edith and Anna for your guidance and assistance along the way. I urge anyone interested in volunteering to put their name forward for the position. I'm here for questions or to give assistance getting started.

Carol Markjewich
